FOOD AND ACCOMODATIONS

All meals are served cafeteria style with a nutritious variety of choices in Goudy Commons, the University's dining hall. Each menu is planned and prepared by the college food service with an abundance of wholesome and well balanced foods for active campers. All campers will be housed two per room in the university's dormitories. If you have a roommate preference, be sure to indicate on your enrollment application (both roommates must list each other). Camp staff counselors are assigned to each dorm floor for supervision and a head dorm resident monitors the campers' behavior. At check in, each camper is issued a security card for the main dorm door and a key for their own room door. *Special note: The dorm rooms are not air conditioned. Please consider bringing a fan.

FACILITIES

Sparks Center provides an excellent basketball camp environment with two spacious gymnasiums and a large indoor swimming pool. Having five full courts, fourteen permanent hoops, six portable baskets, limited enrollment, a precision schedule, and an experienced staff, allows for all instruction, drills contests and games to be conducted on indoor courts which is most advantageous.

STAFF

Our experienced staff, comprised of college, high school and middle school teachers and coaches is extraordinary! This is a teaching camp and we pride ourselves on having phenomenal fundamental instruction. Our staff is supplemented with high quality college student athletes who are exceptionally responsible and conscientious and are positive role models for campers of all ages. Our staff really cares about the welfare of every camper and works very hard at making this a special week of basketball.

TRADITION

Pro Hoop Camp was begun by Hall of Fame Coach Jack Ramsay, and passed along to retired camp director Gordie James. The camp has a long standing tradition of serving the youth of Oregon. Emphasizing the characteristics of basketball that also apply to daily life, the camp strives to make your son or daughter not only a better hooper, but a better young person as well!

SKILLS CAMP

Our July 5-8 session devoted to boys and girls 7-10 years of age is a day camp that will run from 9 am to 4 pm. This camp is specifically designed for the younger hooper. We use a smaller ball and adjustable basketball hoops so each player can learn to shoot with the proper technique and mechanics. This is a unique opportunity to learn and develop proper fundamentals and gain valuable experience. For the Skills session, campers bring a sack lunch and the tuition is \$140.

NEW CAMP DIRECTOR KIP IOANE

Willamette University's Head Men's Basketball Coach Kip Ioane is in his 2nd summer as the Director of Willamette University's Pro Hoop Camp (and 11th year overall with the camp). A firm believer in the importance of fundamentals and FUN in the game, Ioane brings that enthusiasm to his work with

camp. "Basketball is meant to be a free spirited, exciting game! We stress to our campers on a daily basis the fundamentals they need to improve on not just for their experience on the court, but in improving their enjoyment of their daily lives as well. AN EXCELLENT ATMOSPHERE TO DEVELOP YOUR GAME

OUR GAME PLAN

LECTURE/DEMO: Our coaches will demonstrate techniques essential for success. Both individual skill development and team concepts are stressed.

MINI CLINICS: Improvement requires repetition—under the positive analysis of our staff, you will have the opportunity to perfect techniques through progressive drill work. We teach players how to play the game!

LEAGUE GAMES: A chance to put your skills to the test in competitive games. Campers will be divided into "leagues" based on age and ability level. All games are 40 minutes long.

SHOOTING LEAGUES: A new feature in camp, shooting technique and practice will be put on display in our new competitive shooting league.

POSITION PLAY: Campers have the opportunity to develop the skills and abilities necessary to play specific positions. Guard, Wing, and Post work is available all week long.

ATTITUDE SESSIONS: Each evening before the close of camp, both Coach Ioane and guest speakers from the Oregon coaching community will share some inspiring thoughts on both basketball and the game of life. Whether it's Maximizing Your Effort, Working with Others, or BE POSITIVE, our sessions will help your youngster grow in a variety of ways!

JERSEY DAY: A new feature in camp, wear your favorite team's jersey on Wednesday! A winner from each league will be chosen that night during the "2 minute games" - a popular night of intense competition.
